SAVE THESE DIRECTIONS

Directions to Houghton's Pond HUNT Site: Take Route 128 South or North (depending on your starting point)
Take Exit #3 (Ponkapoag Trail) off Rt.128 about 1/2 mile, then RIGHT onto Hillside St. Go about ¼ mile and the parking area for Houghton's Pond is on the right.

SEE IMPORTANT NOTE below.
Note: If traveling South on Rt. 128/95, the exit numbers may seem a bit crazy. They go in descending order as you approach the point where Rt. 95 splits away from Rt. 128 i.e., Exit 15 (Route 1), Exit 14 (East St.), Exit 13 (Univ. Ave.), Exit 12 (Rt. 95 to Providence & New York). The next exit number you'll see is #2 for Rt. 138 then finally Exit 3 for Houghton's Pond. So, be aware of this or you may be lulled into thinking you have several more exits to pass before the Exit 3 for Houghton's Pond which comes up only two exits after Rt. 95 splits away from Rt. 128 at exit 12. Another thing that may throw you off, if this is your first time traveling this roadway: While driving southbound on Rt.128, you are also on Interstate 95 South until it breaks away toward Rhode Island, then you are on Interstate 93 North/Rt.128 South (all while heading south on Rt 128)
